TEMIK® brand 15G Aldicarb Pesticide
For Use on Drybeans and Beans Grown for
Seed

EPA Reg. No. 264-330
EPA SLN. No. WA-810033

24(c) Supplemental Label

RESTRICTED USE PESTICIDE

ACUTE TOXICITY and GROUND WATER CONTAMINATION

For retail sale to and use only by Certified Applicators or persons under the direct supervision of a Certified Applicator, and only for those uses covered by the Certified Applicator's certification.

FOR DISTRIBUTION AND USE ONLY WITHIN THE STATE OF WASHINGTON

This label for TEMIK® brand 15G Aldicarb Pesticide expires and must not be distributed or used in accordance with this SLN registration after December 31, 2009.

DIRECTIONS FOR USE:

It is a violation of Federal and State Law to use this product in a manner inconsistent with its labeling. This label must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements and precautions on the EPA registered label.

| Crop & Time of Application | Pest Controlled | Pounds/A | Ounces/1000 Feet of Row | Recommended Application |
|---|-----------------|----------|-------------------------|--|
| <u>36" Row Spacing</u> | | | | |
| DRYBEANS & BEANS GROWN FOR SEED (except lima beans) | Lygus Bug | 7.0-14.0 | 7.5-15 | Sidedress granules 3-4 inches to the side of plant row or far enough away to avoid root pruning and 2-4 inches deep (furrow depth). Under alternate furrow irrigation shank on the water furrow side of plant row. |
| Post-emergence (20-30 days after planting) | Mites | | | With other types of irrigation shank on both sides of plant row. Follow with irrigation within one week. |

RESTRICTIONS

- Do not apply both at-planting and post-emergence.
- Do not harvest within 80 days of application.
- Do not feed green forage, hay or straw to livestock.
- Do not use green pods as food for humans.
- Do not use on solid plantings.
- Do not exceed a total of 14 pounds per acre.
- Do not apply within 50 feet of any drinking well.

ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish, birds, aquatic invertebrates and other wildlife. Birds feeding on exposed granules in treated areas may be killed. Cover or incorporate granules in spill areas. TEMIK® brand 15G Aldicarb Pesticide should not be used under this SLN label where impact on listed threatened or endangered species is likely. You may refer to the WSDA Endangered Species Program web site at <http://agr.wa.gov/PestFert/EnvResources/EndagSpecies.htm> or contact the Washington Department of Fish & Wildlife, National Marine Fisheries Service (NOAA Fisheries) or US Fish & Wildlife Service for information regarding aquatic species listed as threatened or endangered. Consult the federal label for additional restrictions and precautions to protect aquatic organisms.

Container Disposal Guidance:

Completely empty paper containers into application equipment. Then dispose of empty containers in a sanitary landfill. Burning is not a legal method of container disposal in Washington. Return empty Lock 'n Load containers unwashed to point of purchase.
